TRM have requested ideas for the 25<sup>th</sup> Birthday Party to be held Febr 2009 in St. Louis. Ideas need to be delivered to TRM at Raid & Trade 7/19. Gyda read the notes taken at Lilies at the impromptu meeting held. If you have ideas please get them to us.

Seneschal:

-the calendar on the website is from Google. If you use Google calendar you can add the Mag Mor calendar to your personal calendar. Amanda the Brave set that up. To get details about an activity just click on the activity. Right now I have the only access to add things to the calendar but that will change.

--I hope that the fighters are enjoying the Northern version of Fight school. Please note that Fight School is a private activity outside the auspices of the SCA. For that reason, it is not a SCA activity, nor is it covered by the SCA insurance, or waivers. It is not sanctioned, nor endorsed by the SCA, and cannot appear on an "official" calendar. The curious should be referred to the SCA, but need to be informed what is being done is not a sanctioned SCA activity.

--Officer reports are due July 15.

Groups:

Music: 7/24, 7/31, 8/7 doing music for Coronation 9/13

Scribes: 7/25, 8/1, 8/15

Dance: 7/17

We should try and get our other guilds active again such as brewing, drummers, armoring.  
Could they maybe host an A&S night?

Miscellaneous:

--Ailis is going to Alaska. She has agreed to take a number of small items to deliver from Mag Mor to the Barony there.
