Lilies Recap—

Beckta got an AOA, Half-Troll won the war (Fyrd, bardic championship, squired to Michael of Lonely Tower)

Gladiator Tourney/Party-

Overall, the tourney and party went well. Check out Sean of the Chippendales vs. Stagman on Facebook. Could have used more homebrew, but the food was just about right. Seraphina won Twister, despite her long gown.

Baronage: Recruitment has to be our focus. Wear garb to Sunday fighter practice and gatherings at the library. Scarlet Keep needs 4 well-dressed people to help with Big Red Welcome—Keep is one source of recruits for the barony.

At Cattle Raids, remember that our guests come first—we will be hosting the kingdom as well as outsiders. Sash has specifically invited Northshield and others. "This is Disneyland north—be good to our guests. This is what we excel at."

Cattle Raids—

Troll will be outside the feast hall, under a sunshade. A & S will be under the baronial pavilion. Merchants will be near the feast hall and under the overhang. The noon inn will be in one of the rustic cabins between the hall and the archery range.

Rosalin of Aberdeen's peerage ceremony will take place at the event. (Carlos/Isabeau's and Natalya's sunshades will be used)
