If you have largess for the Crown, please get it to Gyda by early Saturday. We will give a cash tithe at Twelfth Night.

Please be ready to help by volunteering a portion of your day!

Help is needed for list table, waterbearing, and heralding.

Also needed:

Shepherd's hooks for lanterns

Sheets for the conference hall—2 sets of king sheets, 1 queen set, pillow cases?

Candles for feast hall (in containers)

Shower tents/solar bags, since the bathhouse is not available this year

Saturday, Aug. 15th was a pre-cook to make pretzels; Gwyneth will be doing kitchen prep on the **Thursday and Friday** before the event, either at the site or at St. Mark's on the campus.

We decided to hire Silverhawk Security for the time during feast—whether we are on site or having feast at the church in Milford. There will be an unarmed, uniformed officer at site from 6-10 pm.

There will be no meeting next week.

Half-Troll reminded us about the Ren Fair coming up in Lonely Tower on Aug. 29th—they need our help! Please let him know if you can attend so he can pass on the info to Lonely Tower.

Scarlet Keep begins with Big Red Welcome (already covered). They meet in the Student Union Pewter Room on Thursdays at 8:00 pm. We really need to support them, since they are a good source of future Mag Morons. If you can help, please show up on these nights:

Sept. 3—fighter/archer show and tell

Sept. 10—A & S night

Sept. 17—music

Upcoming Events:

A & S nights continue on their regular schedule. Gerald needs instructors and ideas for activities.

Baronial A & S is tentatively scheduled at St. Mark's. Please put in a bid for this event.

Yule Court needs a bid, too—tentatively planned for the Firefighter's Hall. We need to check availability.
