Arts and Sciences meet on the 1st, 3rd and 5th Wednesday's of the month. Moot will occur on the 2nd and 4th Wednesdays of the month unless otherwise announced. Both will meet at Bennet Martin Library at 7:00 p.m.

Please note: No personal information can appear on the internet without specific written permission. Please contact the Chronicler for further information. Thank you!

Greetings to the beloved populace of Mag Mor from Their Excellencies Sashatec and Catherine:

It is our wish that all of you are enjoying the sunlit days of this summer season and are using this time for both enrichment and enjoyment. We look with anticipation to the many and varied events that we all can share.

We are so very pleased and happy to congratulate Her Ladyship Natalya. She has honored us and all of Mag Mor with her depth of knowledge, keen wit, and immense creativity by winning the Kingdom of Calontir Arts and Sciences Championship. Her reproduction of a Germanic Tailors records and her incredible workmanship completing the Germanic garb for HE Theron captured the top scores and earned her the right to wear the accruements of the office for one year. It might also be noted that Their Royal Highnesses have entrusted her with the design and execution of the preprint scrolls for the next reign. Please add your congratulations to this fine lady at your earliest opportunity.

We cordially invite all to attend the Revel on July 27th at Woods Park at the fighter practice site starting at 3:00. Court will be held at 5:00 p.m.- immediately following will be a picnic potluck. Please contact Lady Marianna for further details. She would like this to be the first of a monthly event focusing on showing the public how much fun we have in the SCA.

We thank His Lordship Murdock and Lady Emelye for their continued efforts concerning Cattle Raids. Please note the flyer in the Mews and elsewhere in this publication for details. Please do not wait to be asked to help. Volunteer now. We are so very good at pulling together at the end, maybe we can start pulling together now and make is easier on everyone.

The new website is up and running at www.magmor.net. Please give it a look and offer your help to Maximilian, Emelye, and Aibhilin. They have some wonderful ideas, but need your help with content, both wordage and pictorial.

At the recent Council of Nobles meeting, we were charged by Their Royal Highnesses to ask you all to give us ideas for how Mag Mor can participate in the 25th birthday celebration in February and report back to them at Raid or Trade. Please give us your ideas soon in writing so that we can relay them in good order. Ideas given us thus far have been: An interactive scavenger hunt based on past and present Calontir trivia, a Jubilee passport project to be held during the 50th reign, and a Festival Parade at the Lilies War. Please add any of your ideas to these and contact us.

Finally, again we are so very honored to be able to represent Their royal majesties. In order to be of the best possible service, we ask that the lines of communication always remain open. Officers, please send us a courtesy copy of your reports. Guild heads please keep us apprised of your plans and activities. And all of you, please advise us as to how we can be of further service to you individually and collectively to the Barony.

We remain, in service to crown and barony,

HE Master Sashatec and HE Catherine

Greetings to all!

If you have not heard, the Barony has a new website. It is www.magmor.net. Many, many thanks go out to HE Angelo, HL Toli, Herr Maxmillian and Lady Emelye, our new Webminister for all of their hard work in getting the new site up and running. The old site will remain up until after Cattle Raids.

Starting this month, we will be going back to a monthly news letter. In August, I would like to focus on Cattle Raids. If you have any stories or articles about this year's theme – Scots vs. English- please get them to my by July 28.

Thanks to you all for your positive thoughts,
Aibhilin
Chronicler

To the Populous of Mag Mor do I send greetings as your Arts & Sciences Champion,

With the permission of Their most august Excellencies Mag Mor, I am proud to announce the rules for Their Arts & Sciences Competition to be held in October. I have decided to return to something we haven't done for a while.

I invite all of Mag Mor's talented artisans to enter one Art and one Science into the Beginner, Intermediate or Advanced levels to be judged using current Kingdom Criteria. Documentation will be required using Criteria guidelines.

Please notify me as soon as you are able about what you will be entering. Many of you are already half way there with your entry for Kingdom A & S...only one more to go! The rest of you.....get busy!!!

I am excited to think of the wonderful display of talent and artistry we have to look forward to.

**In service,
Lady Leofwyna l'May**
