**Greetings to our beloved populace of Mag Mor from Their Excellencies  
Sashatec and Catherine;**

The cold and snow has not dampened our spirits and we greet this season with great expectations of fun and nurturing. The many activities that we and all of you are planning will make these bleak weather days speed along to the expectations of new life.

We are looking forward to many items of input from you the great people of Mag Mor. We are entertaining bids for our herd master tourney that we are calling The Gathering of the Herd. We also are calling for bids for the Cattle Raids event. Also there are two offices that are soon becoming vacant and solicit letters of intent from all parties interested in Chronicler and Chatelaine -Both Aibhilin and Marianna have done outstanding work in their respective areas and please congratulate them and thank them for their dedication.

We are looking for a head count of people that are planning to attend Jubilee. We do have some responsibilities and need to coordinate our efforts.

We are so very proud to be able to represent you and your ideas to the Kingdom and hope that you all will continue to offer your input to us.

**In Service to Crown and Barony,  
Sashatec and Catherine**

*Greetings to the populace of Mag Mor from your humble seneschal, Natalya.*

We are coming off the busy month of January to a more relaxed spring. But we must turn our eyes forward to upcoming events.

First, we are holding a demo in the town of Mullen, NE on March 14<sup>th</sup>. There is a small group of people starting an SCA contact group there and this will hopefully help them find other like-minded folk in the area. According to kingdom law, as the closest Calontir group to them, we are their sponsor. If you are free that day, please join the caravan for a long drive to the demo. (Mullen is about 4 to 5 hours away from us) I thought most would want to drive out in the morning and then may or may not stay the night. Crash space will be available. The demo will be in a school gym and they are planning a fair amount of publicity for it, so we could use everyone who is available.

Next, we need bids for the Calling of the Herd and for Cattle Raids, due the last moot of February and first moot of March, respectively. Please consider being an autocrat for one of these events. The SCA doesn't happen without volunteers. And remember to get your award recommendations in so we have something to do at court.

There is a Cub Scout demo on February 21<sup>st</sup>. If you don't know the details, check with Half-troll – and come to moot, so you'd know these things.

Finally, thanks to all who have made Winter War Maneuvers happen so smoothly. It takes a lot of work to put on a kingdom event and I wanted to let you all know how much I appreciate your help.

Yours in service,

*Natalya*
