A selection of events - for more details, visit [www.calontir.sca.org](http://www.calontir.sca.org)

**Crown Tourney** - July 11<sup>th</sup> - Travel far south (450 miles) to Grimfells, to watch our next King & Queen be chosen. It's a camping event, with arrangements made for some type of inn or feast for each meal, and a grocery store nearby.

**Kingdom Tri-levels & Arts & Sciences Championship**, - July 18<sup>th</sup> - Eastward to Axed Root (225 miles) you will find many varied Arts and Sciences to tempt and educate you in one day. The event ends with court, and no feast, so many people day-trip there & back. (3.5 hrs each way.)

**Feast of Eagles** - July 25<sup>th</sup> - Hosted by Cum An Iolair, this event in the KC metro area (210 miles) offers a variety of activities to entertain you.

**Pennsic War** - July 24<sup>th</sup> - Aug 9<sup>th</sup> - (950 miles) This is the classic Known World War - It hosts at least 7 times as many people as Lilies. Like the pilgrimage to Mecca, most SCAdians should go at least once. However, an experienced guide is crucial.

## Chronicler

Lady Eleanor Deyeson

This month's Runestaff is a bit light on content. Sadly, I can't make it ALL up myself. Deadline for next month is **Thursday, July 23<sup>rd</sup>**.

If you are an officer or guild head, about the 20<sup>th</sup> of each month, just drop me a short email, with anything you want to have included in the Runestaff - even if all you need to say is - "same place, same time." If any new changes have come down from higher up - Kingdom or Society level - it's a good idea to mention that as well. I MIGHT know about it, but why take the chance? As an officer, your job is to promote the area you are serving in - all I need is the information, and I am happy to help spread the word. If you have an idea for an article, but don't want to write it, let me know, and I'll seek out an author for the benefit of us all.

To all the populace, if you have done or seen anything fun, interesting or eye-opening at any event or activity, let me know as well. Just because I went to the event myself doesn't mean I saw everything, and other people here in Mag Mor would like to know about it.

I am happy to publish any article, song, story or artwork you would like to submit. Don't be afraid to toot your own horn.

*Eleanor Deyeson*

## Knight's Marshal

Lordship Osric atte Bek

If you have not been at Fighter Practice for a while please consider coming around to at least visit, and if you have armor getting rusty there is no better excuse to knock that rust off.

Fighter practice at Woods Park, every Tuesday, beginning at 6:30pm.

Starting July 12<sup>th</sup>, we will also practice on Sunday evening, beginning at 5pm.

Weather rule will be the same as last year—if it is actively raining a half-hour before the official start time, practice will be canceled without any calls being made.

Location is near the tennis domes at the north end of the parking lot, off 33rd Street near "L" Street.

At Lilies, Lord Vilhjalmr Half-Troll was welcomed into the Order of the Iren-Fyrd. He was seen later in the war carrying the Fyrd drinking horn, and it fit him quite well.

Vilhjalmr also won the Bardic competition, and now is the guardian of what was known as the "Big Damn Stick" but for this year, should be called the "Perfectly Proportioned Stick." Half-Troll will have the duty of promoting the Bardic Arts all year, as well as arranging the Bardic Championship next year at Lilies.

At the start of Thursday evening court at Lilies, Bechte von Zeidernholzberg received her AoA.

The address for the Baronial Website is [www.magmor.net](http://www.magmor.net) . This is our website and it is lacking your input. Do you have something you would like to see on the website such as a picture, a story or documentation? Please send it to me along with permission to post it and I will get it up on our website. I have added a lot of content but I shouldn't be the one writing everything. I need input from the guild heads and officers for the content of their pages. Let's give people that look us up on the web something to really look at.

## A Song by the Kingdom Bardic Champion

### *The Day We Met*

I still recall the day we met,  
And the little clearing where you sat.  
I see it in my mind nearly every day.  
You said, "I'm hunting for reindeer,"  
But I could not see bow or snare.  
You said, "No I don't hunt reindeer  
that way."

I told you I'd be back with one,  
And I took off, at a full run.  
I didn't hear you telling me to wait.  
You weren't worried just for me,  
But for the reindeer I had seen.  
You didn't want this to be a dark day.

Running fast by Maple trees,  
I managed to surprise the beast.  
I even got my arms around its chest.  
When out of fear the deer reared up,  
And threw me back into a rock.  
I jumped back ready for another test.

The deer just turned and ran away,  
And I had no breath to give chase.  
In my body there was only pain.  
A failure I came back to you,  
But you said, bright as morning dew,  
"I only meant to pet them anyway."
